## Hot Night in the City Trevanian

*Hot Night in the City* is a masterwork from Trevanian, whose unique ability to create a new stylistic "voice" for each genre he visits has produced the international best sellers: *The Main*, *The Summer of Katya*, and *Shibumi*, and his hundreds of thousands of ardent fans.

*Hot Night in the City* offers a feast for every taste: action, romance, laughter, love, wit, compassion...all seasoned by a wryly oblique view of the human condition. The reader meets a parade of unforgettable characters in compelling situations: a bewitching young madman charms his trusting victim, two strong Basque women battle over an apple tree, a crusty old carnival huckster instructs his adolescent apprentice, an embittered young soldier rescues the dignity of a faded whore, a famous writer learns an unpalatable truth about himself, and more. The feast of *Hot Night in the City* is both delicious and nourishing, both spicy and satisfying.
