The New Chinatown Peter Kwong

Newspapers today are filled with stories of corruption and strife in America's Chinatowns, reversing the popular view of Chinese Americans as a model minority of law-abiding, hard-working people whose diligent children end up in high-tech jobs. In *The New Chinatown*, Peter Kwong goes beyond the headlines in a compelling and detailed account of the political and cultural isolation of Chinese-American communities. This new edition offers a revised and updated text as well as a new chapter on Chinatown in the 1990s.
