**Plays from Vault (NHB Modern Plays): Five new plays from VAULT Festival** Florence Keith-Roach, Camilla Whitehill, Rosie Kellett, Oli Forsyth, Stephen Laughton

This anthology comprises five of the best plays from VAULT 2016, London's biggest and most exciting arts festival. *Eggs* is a dark comedy about female friendship, fertility and freaking out, by Florence Keith-Roach, 'rising star of the London theatre scene' (*Evening Standard*). Two women, living very different lives, are united by their quick wit, love of nineties' dance music and a mounting alienation.

In *Mr Incredile*, Adam is single. He doesn't like it. He misses Holly. He deserves Holly. Doesn't he? A monologue about love and entitlement by Camilla Whitehill, author of *Where Do Little Birds Go?*, who was described by The Times as 'a writer of huge promise'.

The world of the celebrity PA is laid bare in *Primadonna*. A young first-timer navigates impossible tasks, difficult conversations and fearsome passive aggression in this one-woman play from Rosie Kellett, winner of the VAULT Festival Spirit Award.

Mickey and his team of *Cornermen* never have much luck in the boxing world. Until, that is, they sign a young fighter whose winning ways catapult them to a level they've never known before. 'A striking new play by an exciting new writer', Oli Forsyth (*Scotsman*).

Stephen Laughton's one-man play *Run* explores what it means to love, to lose, and how to grow from a boy into a man, as a gay Jewish kid sneaks out over Shabbat to meet his boyfriend - and his universe implodes.

'A vibrant, varied programme full of theatrical treats... a brilliant place to spot new talent' *The Stage* on VAULT 2015
