In a time after everything has fallen apart, the A-men is a unique spin on the world of superheroes with each character representing a principle from the bible sure to appeal to teenagers both religious and otherwise. From the power of love all the way to the dangers of vengeance, the A-men tells the tale of a spiritual world invisible to those who dwell in this one where a war for humanity is constantly waging. Included is an angel ready to give up, a woman struggling to reconcile desire with responsibility, a young girl fueled by her desire for revenge, and an evil army of creatures bent on dragging the world to a bloody demise. The A-men tells the story of what it truly means to stand for faith.
