## The Sound of Pictures: Listening to the Movies, from Hitchcock to High Fidelity Andrew Ford

*The Sound of Pictures* is an illuminating journey through the soundtracks of more than 400 films. How do filmmakers play with sound? And how does that affect the way we watch their movies? Whether pop or classical, sweeping or sparse, music plays a crucial role in our cinematic experience. Other sounds can be even more evocative: the sounds of nature, of cities and of voices.

In *The Sound of Pictures*, Andrew Ford listens to the movies. He speaks to acclaimed directors and composers, discovering radically different views about how much music to use and when. And he explores some of cinema's most curious sonic moments. How did Alfred Hitchcock use music to plant clues in his films? Why do some 'mix-tape' soundtracks work brilliantly and others fall flat? How do classics from *A Clockwork Orange* to *The Godfather*, *Cinema Paradiso* to *High Noon*, use music and sound effects to enhance what we see on screen?

Whether you're a film-buff or a music lover, *The Sound of Pictures* will enrich your experience of the movies.

"Andrew Ford's book is delightfully snippy and entertaining. More importantly, it's also wonderfully informed in a way that will enhance film viewing past, present and future. A hugely enjoyable and revelatory read."—Margaret Pomeranz

"enjoyable and rewarding" - *Adelaide Advertiser*

"a must read" - *Courier Mail*

"*The Sound of Pictures* will be joyfully read by movie and music fans alike." - *Canberra Times*

"beautifully written" - *Sydney Morning Herald*

Andrew Ford is the author of *Try Whistling This*, *Illegal Harmonies* and *The Sound of Pictures*. He is a composer and broadcaster and presents *The Music Show* on ABC Radio National.
