Yoga and the Pursuit of Happiness: A Guide to Finding Joy in Unexpected Places Sam Chase

Enlightenment isn't a strange, mystical, or faraway place. It's a fundamental human experience available to us all in different ways and in different moments. Learn how the ancient philosophy of yoga, modern neuroscience, and positive psychology can help you discover your life's meaning and purpose, rewire your brain, and uncover lasting happiness and joy.

Everyone is looking for happiness, but very few really know where to find it. Maybe it's that house you've been dreaming of buying, or a new car, or the perfect relationship? Or maybe it's a grand, epic revelation about the meaning of life? But when will that revelation come to you, and how long should you wait? And what if happiness isn't something you achieve or obtain, but how you respond to the conditions of your life? After all, yogis can find peace and joy even when life is painful and unpleasant.

In *Yoga and the Pursuit of Happiness*, you'll discover that lasting happiness is already at your fingertips—in the small, everyday moments inherently infused with purpose and meaning. The philosophy of yoga—rather than the poses and postures—boils down to one fundamental process: overcoming suffering by coming to know ourselves and aligning our actions with our own intrinsic sense of spiritual purpose. And yoga gives us the tools to address two basic existential questions: *Who am I?* *What should I do?* Meanwhile, positive psychology and neuroscience show us how our actions are constantly rewiring our brain in helpful ways—which points to happiness as something we must practice and carry out each day. Happiness is, simply put, something we *do*.

In this unique, light-hearted guide, celebrated yoga instructor Sam Chase blends ancient wisdom from the *Bhagavad Gita* and *Yoga Sutras* with his own personal journey of enlightenment to show you how to deepen your understanding of yourself and the world around you, end the cycle of materialism and greed that can get in the way of cultivating stillness of mind, and achieve lasting well-being.

Deanna Jackson:

That e-book can make you to feel relax. This kind of book Yoga and the Pursuit of Happiness: A Guide to Finding Joy in Unexpected Places was bright colored and of course has pictures around. As we know that book Yoga and the Pursuit of Happiness: A Guide to Finding Joy in Unexpected Places has many kinds or type. Start from kids until teenagers. For example Naruto or Private investigator Conan you can read and think that you are the character on there. So , not at all of book tend to be make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book in your case and try to like reading in which.

Misty Ware:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Yoga and the Pursuit of Happiness: A Guide to Finding Joy in Unexpected Places can make you sense more interested to read.
