After a frantic call, Sloan McKinley travels to the heart of the Alaskan wilderness to be there for her best friend, who's just inherited property in the small town of Indigo. The last thing she expects is to be lured by the town's matriarchs into their annual contest to get their grandsons married off.

But Sloan can't deny the appeal of the rugged local men-Walker Montgomery in particular. Soon she finds herself falling in love with the wild outdoors...and with one of Indigo's most beloved residents. There's just one question that remains: is the town's most confirmed bachelor ready to get caught?
