A gorgeous all-access guide to the Twilight saga from the magazine whose writers and photographers covered the phenomenon before anyone else and better than anyone else. "The Twilight Journey" follows author Stephenie Meyer and stars Robert Pattinson, Kristen Stewart and Taylor Lautner on their wild five-year journey from the set of the first movie to 2012's "Breaking Dawn, Part 2." It's packed with funny, intimate, often shockingly frank interviews, as well as set visits, trivia, and dozens of now-iconic photographs. The book is not only a keepsake for fans to pore over but also a revealing portrait of an unassuming first-time author and three very different young actors coping with a fame so sudden and overwhelming that it not only transformed their lives but Hollywood itself. Includes five posters based on original EW covers.
