CUTE KITTENS

PURRING GUNS

From SPAS-12-toting Siamese and AK-47-flashing Norwegian Forest Cat to Colt 45-carrying Tonkinese and a Beretta-brandishing Russian Blue, this book exposes with pictures the shocking love affair between furry felines and high-powered firearms.

Many secret habits of felines have previously been revealed, including their motivations for painting, the stuff they wear, and their laugh-out-loud language. But until now, no book has dared explore the shadowy world of armed-to-the-teeth kittens described and pictured in *From My Cold Dead Paws*. Like strawberries and cream, hot dogs and baseball, apple pie and illegal fireworks, cats and guns make perfect partners. From Colt 45-carrying calico and Glock-toting tabby to Uzi-brandishing Siamese and AKSU-flashing Siberian, this book presents the shocking intersection of America's love affairs with cuddly pets and purring guns. A photographic celebration of the independent nature of cats, *From My Cold Dead Paws* offers full descriptions of each breed and gun, including color, coat type, pattern, caliber, barrel length, and muzzle velocity. Adding to the readers' enjoyment is a dynamic, full-color design with guns, bullets, and targets firing all over the pages.
