Jordan Greene moves from the deepsouth to New York City, and finds more than he ever bargained for. When he shares a ride with a vivacious young white girl, a romance grows between the unlikely pair--much to the chagrin of Jordan's friends and family. Love on the other side of the color bar forces him to examine his own values and follow his own heart. In this brightly entertaining and emotionally complex novel, Dickey again demonstrates why he is one of the hottest voices in African-American fiction today.
