Six of Hearts L.H. Cosway

Step right up and meet Jay Fields: Illusionist. Mentalist. Trickster.

I think in triangles. You think in straight lines.

I show you a table and make you believe it's a chair.

Smoke and mirrors, sleight of hand, misdirection. I trick and deceive.

But most of all, I put on a good show.

The world thinks I killed a man, but I didn't. Bear with me. It's all a part of the plan.

Revenge is what I want. I want it for me and I want it for her.

I want it for all six of us.

She doesn't remember me, but she's the reason for everything. She'll be my prize at the end of all this – if I can hold onto my willpower, that is. Maybe I'll slip up a little, have a taste, just a small one.

So go ahead and pick a card. Come inside and see the show. Look at my hands, look so closely that you can't see what's happening while you're so focused on looking. I'll be destroying your world from right here in the spotlight.

You'll never see me coming until it's too late.

I've only got one heart, and after I've pulled off my grand deception I'll hand it right to her.

So, sit back, relax, and let my girl tell you our story. You're in for one hell of a ride.

****Suitable for readers 18 years and over. Contains sex scenes and adult language.****

From reader reviews:

Jeffery Whitley:

In this 21st centuries, people become competitive in most way. By being competitive now, people have do something to make all of them survives, being in the middle of typically the crowded place and notice by surrounding. One thing that at times many people have underestimated it for a while is reading. That's why, by reading a reserve your ability to survive increase then having chance to stand than other is high. In your case who want to start reading some sort of book, we give you this particular Six of Hearts book as beginner and daily reading book. Why, because this book is usually more than just a book.

Vicky Bowman:

The actual book Six of Hearts has a lot of information on it. So when you check out this book you can get a lot of gain. The book was authored by the very famous author. Mcdougal makes some research just before write this book. That book very easy to read you may get the point easily after reading this article book.

Tonette Land:

You are able to spend your free time to see this book this guide. This Six of Hearts is simple bringing you can read it in the park, in the beach, train and soon. If you did not include much space to bring the particular printed book, you can buy often the e-book. It is make you quicker to read it. You can save often the book in your smart phone. Thus there are a lot of benefits that you will get when one buys this book.

Debra Becnel:

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's heart or real their hobby. They just do what the educator want, like asked to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring along with can't see colorful pics on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Six of Hearts can make you truly feel more interested to read.
