## **The Sleep of Reason: The James Bulger Case** David James Smith

Friday, February 12 1993. Two outwardly unremarkable ten-year-old boys, Robert Thompson and Jon Venables, began their day playing truant and ended it running an errand for a local video shop. In between they abducted and killed the toddler James Bulger. *The Sleep of Reason* is the harrowing, sensitive, definitive account of this terrible crime and its consequences. In a new Preface (which considers the re-arrest of Jon Venables in February 2010) David James Smith writes: 'It is as true now as it was then that the murder has never really been explained and the motive for the crime remains a mystery. This book, the result of considerable research and a painstaking, sometimes distressing assembly of the facts, was my attempt to offer some insight and understanding.' 'Surprisingly evocative, even moving. . . immensely valuable.' *Times* 'Dramatic and disturbing.' Anita Brookner, *Observer* 'Compelling and compassionate.' *Times Educational Supplement*
