Mark's life couldn't get any better. He had his beautiful wife, Victoria, by his side and he was the man of the hour at the quarterly office party. He was in line for a promotion and had the respect of all his coworkers and his boss.

Thing is, Mark actually lied and inflated his numbers. And when his **big, black, alpha male** boss finds out, there will be hell to pay.

There's only one way that Mark can keep his job: Offering his wife to his boss.

Her first **interracial experience** will be a memorable one as she stretches to accommodate the huge size of Mark's **well-endowed** boss.

Right before his very eyes, Mark watches his hotwife get filled by a **hung, black stud**. He's going to learn to love it just as much as she does.
