Two Dean Koontz novels in one collection

Odd Apocalypse

Once presided over by a flamboyant Hollywood mogul during the Roaring '20s, the magnificent West Coast property known as Roseland is now home to a reclusive billionaire financier and his faithful servants. And, for the moment, it's also a port in the storm for Odd Thomas and his traveling companion, the inscrutably charming Annamaria. In the wake of Odd's most recent clash with lethal adversaries, the opulent manor's comforts should be welcome. But there's far more to Roseland than meets even the extraordinary eye of Odd, who soon suspects it may be more hell than haven. A harrowing taste of Roseland's terrors convinces Odd that it's time to hit the road again. Still, the prescient Annamaria insists that they've been led there for a reason. Just how deep and dreadful are the mysteries Roseland and her masters have kept for nearly a century? And what consequences await whoever is brave, or mad, enough to confront the most profound breed of evil? Odd only knows. Like his acclaimed creator, the irresistible Odd Thomas is in top-notch form?as he takes on what may well be the most terrifying challenge yet in his curious career.

Deeply Odd

How do you make sure a crime that hasn't happened yet, never does? That's the critical question facing Odd Thomas, the young man with a unique ability to commune with restless spirits and help them find justice and peace. But this time, it's the living who desperately need Odd on their side. Three helpless innocents will be brutally executed unless Odd can intervene in time. Who the potential victims are and where they can be found remain a mystery. The only thing Odd knows for sure is who the killer will be: the homicidal stranger who tried to shoot him dead in a small-town parking lot. With the ghost of Alfred Hitchcock riding shotgun and a network of unlikely allies providing help along the way, Odd embarks on an interstate game of cat and mouse with his sinister quarry. He will soon learn that his adversary possesses abilities that may surpass his own and operates in service to infinitely more formidable foes, with murder a mere prelude to much deeper designs. Traveling across a landscape haunted by portents of impending catastrophe, Odd will do what he must and go where his path leads him, drawing ever closer to the dark heart of his long journey?and, perhaps, to the bright light beyond.
