Death and the Rest of Our Life

Garvey

Death and the Rest of Our Life Garvey

Convinced that our beliefs about death should inform every aspect of our lives until death, Father John Garvey muses on the meaning of death and its aftermath. Garvey suggests that the common view of the soul being released from its "imprisonment" in the body actually offers cold comfort to those bereaved or dying. The Christian affirmation of the resurrected and transformed body, he reminds us, is an essential part of the truth about death's real depths and about what life is finally meant to be. Incorporating stories from the author's own family life and experience as a parish priest, this brief, accessible book will be of particular help to pastors, people recently bereaved, and those who work with the bereaved.
