## What if you *could* do it all over again?

Jennifer Wright is pretty sure her husband doesn't love her anymore. She and Max used to be the perfect couple, but the pressures of work and kids have pulled them in opposite directions. Now, Jen is full of "what if" questions about whether her bland, suburban existence is all she was ever destined for.

When a terrible accident sends Jen into a coma, she is able to see what her life could have been if she had run off to Australia with the handsome, dangerous man she met on vacation in her twenties, or if she had stayed with her workaholic college boyfriend. Would she ever have loved another child as much as she loves her daughters? Could she have become rich? More than anything, Jen wants to do the right thing for her family. But what she discovers may leave her with even more questions about the choices she's made, and no easy answers about what to do next.
