Unsuitable. Forbidden. Oh-so-seductive. These gentlemen are hardly respectable. But they are the very, very best...

### **Talbot's Ace Diane Whiteside**

"...Prose so steamy that it fogs one's reading glasses."-*Booklist*

He rules Colorado's most glittering, anything-goes gambling palace. And Justin Talbot never does something for nothing. But if daring Boston aristocrat Charlotte Morland needs his protection from a dangerous enemy, he'll have no choice but to make her business his pleasure...

### **To Match a Thief Maggie Robinson**

"A fun read that will keep you turning pages in the night."-*Affaire de Coeur on Mistress by Mistake*

Ex-pickpocket Sir Simon Keith can finally afford the best of everything. But London's most-desired courtesan is his lost love Lucy. Now Simon will need his wits and his considerably large...wiles to win his way back into her bed-and into her heart.

### **A Knack for Trouble Mia Marlowe**

"Mia Marlowe is a rising star!"-Connie Mason

Lord Aidan Stonemere didn't go from prison to a title playing by society's rules. If he wants something, he takes it, and Rosalinde Burke didn't object to being taken. Once. To keep her from marrying a staid viscount, Aidan's about to remind her how deliciously good being bad feels...

### **Scandal Is Only The Beginning...**

Charlotte Fallon let her guarded virtue fall once--and she's paid dearly for it ever since. She swore she'd never succumb to men's desires again. But even a village spinster's life miles from temptation can't save her from a sister with no shame whatsoever. Or a heart that longs for more, whatever the cost. . .

Sir Michael Bayard found more than he expected in his bed when he finally joined his new mistress. He'd fantasized about her dewy skin and luscious curves, assured her understanding that what passed between them was mere dalliance. But he didn't expect the innocence and heat of her response in his arms. Nor her surprisingly sharp tongue once she was out of them. . .

A few days of abandon cannot undo the hard-learned lessons of a lifetime. Nor can an honest passion burn away the restraints of society's judgments. Unless, of course, one believes in nonsense like true love. . .

### **London's most talented criminal is about to be fingered...**

Lady Viola Preston can relieve a gentleman of the studs at his wrists without his being any the wiser and pick any lock devised by man in less than a minute. But she's careful to wear gloves when she steals jewels. Because when Viola touches a gemstone with her bare skin, it "speaks" to her, sending disturbing visions-visions almost as unsettling as the sight of the cool-eyed stranger who catches her red handed.

Now Viola will only be stealing at Greydon Quinn's behest. And even more daunting than the violent history of the red diamond he's after is the prospect of a night in the devastatingly handsome lieutenant's arms. Touch has always been Viola's weakness, and the full body-to-body contact Quinn has in mind is about to shatter her defenses and set her senses reeling.
