## **The Truth About Sex and Waiting ... Uncovered**

Purity. Sex. Boys. Waiting. There's something about those words that makes everything complex in a heartbeat, and raises more questions than answers. Is there something wrong with me if I don't kiss a boy after a date? Or am I doomed if I DID? What if waiting is just a one-way trip to life as a crazy cat woman? And what if I tend to, um, think about a certain boy in a certain way? It seems that the lady at church and your friends have two very different opinions on the subject. And "Your Budding Womanhood: Staying a Beautiful Flower for Jesus" just isn't cutting it.

Bekah Hamrick Martin knows the waiting game isn't easy or straight-forward. In *The Bare Naked Truth*, she lays everything on the table?including some embarrassing moments?as she explores the honest, naked truth behind what God means by purity. With additional entries from popular authors, you'll see the bare naked approach to waiting isn't always easy, but it's worth the risk.
