## House of Gold & Bones Corey Taylor

In a nightmarish world, the Human finds himself at a crossroads as wild adventure ensues and he's thrust into a morphing landscape of rolling hills, dense forest, and an ominous Crimson City. Chased by a crazed mob and mysterious characters neither friend nor foe, the Human takes an unexpected journey that will lead to his salvation... or damnation. Collects the four-issue miniseries.

\* Inspired by the Stone Sour album *House of Gold & Bones* Parts 1 and 2.

\* Includes variant covers by Frank Quitely, Kylz Hotz, Steve Morris, and Richard Clark.

" *House of Gold and Bones* #1 explores the fear of the unknown in interesting ways. Though the issue leaves a lot of unanswered questions, I look forward to reading how Taylor will develop the mystery." - Bloody Disgusting
