Laurence Gonzales

Lucy Laurence Gonzales

Laurence Gonzales's electrifying adventure opens in the jungles of the Congo. Jenny Lowe, a primatologist studying chimpanzees-the bonobos-is running for her life. A civil war has exploded and Jenny is trapped in its crosshairs.

She runs to the camp of a fellow primatologist, but the rebels have already been there. Everyone is dead except a young girl, the daughter of Jenny's brutally murdered fellow scientist-and competitor.

Jenny and the child flee, Jenny grabbing the notebooks of the primatologist who's been killed. She brings the girl to Chicago to await the discovery of her relatives. The girl is 15 and lovely-her name is Lucy.

Realizing that the child has no living relatives, Jenny begins to care for her as her own. When she reads the notebooks written by Lucy's father, she discovers that the adorable, lovely, magical Lucy is the result of an experiment: she is part human, part ape-a hybrid human being.

Laurence Gonzales's novel grabs you from its opening pages and you stay with it, mesmerized by the shy but fierce, wonderfully winning Lucy.

From reader reviews:

Aaron Mullen:

In this 21st centuries, people become competitive in every way. By being competitive right now, people have do something to make these people survives, being in the middle of the particular crowded place and notice by means of surrounding. One thing that oftentimes many people have underestimated the idea for a while is reading. Yeah, by reading a publication your ability to survive raise then having chance to stand up than other is high. For you personally who want to start reading a new book, we give you this specific Lucy book as beginner and daily reading book. Why, because this book is more than just a book.

Elizabeth Easterling:

Information is provisions for individuals to get better life, information presently can get by anyone at everywhere. The information can be a knowledge or any news even a problem. What people must be consider whenever those information which is in the former life are challenging to be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you have the unstable resource then you have it as your main information there will be huge disadvantage for you. All those possibilities will not happen with you if you take Lucy as the daily resource information.

Susan Frame:

Spent a free time to be fun activity to do! A lot of people spent their sparetime with their family, or their very own friends. Usually they performing activity like watching television, gonna beach, or picnic in the park. They actually doing ditto every week. Do you feel it? Do you want to something different to fill your own personal free time/ holiday? Could possibly be reading a book is usually option to fill your cost-free time/ holiday. The first thing that you ask may be what kinds of e-book that you should read. If you want to test look for book, may be the reserve untitled Lucy can be great book to read. May be it is usually best activity to you.

Henrietta Belcher:

Lucy can be one of your beginner books that are good idea. We recommend that straight away because this publication has good vocabulary that will increase your knowledge in vocab, easy to understand, bit entertaining but still delivering the information. The author giving his/her effort to get every word into joy arrangement in writing Lucy however doesn't forget the main stage, giving the reader the hottest and based confirm resource details that maybe you can be certainly one of it. This great information can certainly drawn you into fresh stage of crucial contemplating.
