Sexy Short Stories and Other Stuff

Quickies is a collection of miscellaneous words that really don't fit elsewhere and certainly can't stand alone. A mixture of poetry, short stories, and bite-sized nuggets, Quickies is full of small stuff that won't consume an entire day of your life but that you'll enjoy just the same. Stories like "Drawn to Him" and "Dancing on Air" are hot and sexy...and fun. And there's also a bonus for fans of Jade's book Bullet--all the stories she wrote for fun for blogs (as well as one deleted scene) are also collected in Quickies. So enjoy Quickies...because sometimes you want it slow and steamy, but other times you want it super-hot, nasty...and quick!

Some of the sexy stories you'll read in this anthology:

"Drawn to Him" - Grad student Julia is begged by her bestie to fill in as a model for her drawing class. It's too late to back out when Julia finds out she will be modeling nude...and there just so happens to be a guy who piques her interest.

"Be Careful What You Wish For" - The story that inspired the fuller-length rock star romance by the same name. Jessica, a college student struggling with day-to-day bills, is given an offer she can't refuse. A married woman, convinced that her husband Kage is cheating on her, offers Jessica enough money to repair her dying car in exchange for Jessica's attempt to destroy the woman's marriage. Is the money worth it?

"Dancing on Air" - An erotic short story about college teacher Cassidy discovers one of her students used to be an exotic dancer...and she's lucky enough to hire him to dance for her friend's bachelorette party, but is he willing to give her a private show afterward?
