"The Furniture Guys" are the zaniest, funniest how-to duo on the air today. Watch them on the "Learning Channel" juggling expert furniture and home repair, pop culture hilarity, throwaway historical asides, and sudden swerves into B-movie lore, and you'll ditch earnest old Bob Vila and never give *Home Improvement* another look.

*The Furniture Guys Book* presents ten projects, complete with step-by-step guidance on stripping, staining, varnishing, upholstering, basic repairs, and troubleshooting touch-ups such as stain and scratch removal. Projects include a pine Hoosier, a Victorian throne chair, a roll-top desk, a pine hat-rack, and more. More than 250 black-and-white photos and drawings illustrate every detail, and a full-color insert displays the finished projects in all their glory. Plus there are handy tips on everything from setting up a work area to sizing up the potential of yard sale bargains.

All this, and funny too! A must for the millions who watch them on the "Learning Channel" or who will be tuning into their forthcoming nationally syndicated radio show -- and for any would-be refinisher looking for advice that's as entertaining as it is effective -- this book will find a prominent place on workbenches all over America.
