War of the Nine Gods Issue#001 Thomas Woods

In a forsaken age, gods walked among men. From the heavens they brought forbidden knowledge and divine power. They were known as the Nine Creator Gods - the Nine Headed Serpent, who shaped our world into their image. Their power seemed limitless - corrupting both flesh and earth. Multitudes worshiped them, others cursed them as abominations - but all feared them. Then came the great war, when the world was full of violence and death continually. The conflict shook the earth and seemed to have no end. But an end did come, and the Nine suddenly, mysteriously, were gone. They left all those who remained to their own fate, and for a time, all the living felt lost.
