## **Daily Life of Pirates** David F. Marley

Drawing on new research, this fascinating volume looks behind the myths to offer detailed insights into the real lives and activities of pirates—for better or worse—during the golden age of piracy in the Caribbean, from the mid-17th century to 1720.

- A collection of ten original documents related to piracy, including contemporary letters, newspaper accounts, and the Crown Act specifying court practices in pirate trials
- A lengthy "Chronology of Major European Wars and Pirate Strikes, 1650–1720," showing how wartime privateers often drifted into peacetime piracy before finding renewed "honest" employment when conflict erupted again
- 25 illustrations depicting the daily life of pirates
- A glossary covering the many colorful terms associated with pirates, such as black dog, Devil's Torrent, and Tongue of the Ocean
