**Meeting the family was never supposed to be this complicated...**

*If you enjoy books like Bared to You (Sylvia Day) or Fifty Shades of Grey (E.L. James), you will enjoy this sexy and funny romance!*

In this contemporary romance, Sophia finds herself living in paradise (a penthouse suite in Paris) with the enigmatic (and *incredibly* sexy) businessman Jason Powers.

But when Jason's family reach out to him, Sophia learns that Jason has a mysterious past - one he refuses to share, making Sophia uneasy about the status, and seriousness, of their relationship.

Will Jason invite her to meet his family, whom she knows so little about? And will Sophia succeed in helping Jason open up to her, even though she's keeping a secret of her own?
