**Basic Training Manual and Study Guide for Healthcare Security Officers (A Program of the International Association for Healthcare Security and Safety)** International Association for Healthcare Security and Safety

The International Association for Healthcare Security and Safety is a not for profit professional organization of healthcare security and safety administrators from around the world. Its mission is advancing excellence in healthcare security and safety worldwide. This manual and study guide has been prepared to address the association's basic training standard and to assist the student to complete the requirements for security officer basic training certification. The manual may be used by an instructor in a formal classroom setting, by the student in study groups or in self-directed learning. The manual is divided into units which correspond to the forty hours noted in basic training standard.
