Drive Your Girl Wild In Bed - The Secret Sex Techniques That Every Man Should Know To Give Her The Ultimate Female Pleasure Sandy X

Just about all guys think they are the world's greatest lovers. But let me tell you a little secret that all women know. Most men simply don't have a clue about how to get us girls sexually aroused and driven to a sexual peak where we have one mind-blowing orgasm after another.

That is why we girls sometimes are forced to fake an orgasm because we simply grow tired of being licked, tweaked and rubbed by some rough guy who simply doesn't have a clue. And guess what? These are the men that we never go out with on further dates and they never, ever question what they did wrong to make us stop seeing them.

But a man that really knows how to press all our right buttons and exquisitely drives us to a sexual peak where we are screaming with pleasure from one orgasm to the next, then that is a man that we want to be with. And because we girls gossip and tell our friends our intimate secrets, a great lover's reputation soon spreads and he can have just about any girl he wants. In fact, many girls do the chasing.

I've written this book to give you guys an insight as to how you should be going about driving us wild in bed. Whilst the inexperienced guy will gain most from my tips, more experienced guys will also learn things that they never realised are important for giving their girlfriend or partner awesome orgasms.

Here are the important topics that I cover in detail

Always be prepared

Fingers and vagina's
