New York Taxes, Guidebook to (2016) J.D. Mark S. Klein

CCH's Guidebook to New York Taxes is the perfect resource for accurate and concise explanations of New York tax law for practitioners working with state taxation in New York. Designed as a quick reference work, this handbook presents succinct discussions of state and local tax law and regulations and the significant cases and administrative rulings. This annual publication is crucial to tax practitioners and advisors to in-state and multistate businesses and those who file New York returns or advise on New York taxes. The popular NY Tax Guidebook is now in its 50th year of providing practitioners with concise and authoritative information on New York State taxation. It includes detailed discussion of major New York State taxes, including: - corporation franchise (income) tax - personal income tax - sales and use taxes - franchise tax on banking corporations - estate, gift and generation-skipping transfer taxes. Major New York City and certain Yonkers taxes are also covered in detail--e.g., the general corporation tax, the tax on banking corporations, the personal income tax on residents, the earnings tax on nonresidents, and the unincorporated business tax, as well as, property taxes, listing of administrative agencies/directory and other miscellaneous state taxes (e.g., motor fuels, cigarette/tobacco, and public utilities taxes). Particular emphasis is placed on persons or transactions subject to tax, exemptions, basis and rate of tax, and returns and payment. The Guidebook also discusses the general property tax levied by local governments, as well as covering the many other State and City taxes. The Guidebook includes additional practical tips, pointers and examples to practitioners by Mark S. Klein, Esq., a partner of the law firm of Hodgson Russ LLP. This valuable practice commentary helps practitioners further apply the complex principles of New York tax law to specific practice situations. There will no longer be a print version available of the Multistate Corporate Tax Course for CPE Credit. A free link to the online version (PDF) of the Multistate Corporate Tax Course 2015 for CPE will be included. For the user's convenience in determining what is new in the New York tax law, a special Highlights of Tax Changes section is included to provide at-a-glance awareness of key recent developments in the law. While this handbook focuses on the law applicable to the filing of income tax returns in 2015 for the 2014 tax year, legislative changes effective after 2014 are also noted with an indication of the effective date to avoid confusion and to assist in future tax planning. Helpful references to both the New York and related federal provisions are provided throughout for those who wish to examine full text of the applicable law. Also, detailed Tables of Contents, Law and Regulations Finding Lists, a Topical Index and organized presentation of the content make pinpointing critical information quick and easy. Helpful references to specific paragraphs in the comprehensive CCH New York Tax Reports service are also provided throughout the Guidebook to assist users in further, more comprehensive tax research and tax planning.

ABOUT THE CONTRIBUTING EDITOR: Mark S. Klein, J.D., is a partner of the New York law firm of Hodgson Russ LLP. Mr. Klein concentrates in New York State and New York City tax matters. He also has extensive federal, multistate and local tax experience. He teaches courses on state taxation and tax practice and procedure at the State University of New York at Buffalo, School of Management Tax Certificate Program, and has lectured extensively throughout the United States. He has written and edited numerous books, articles and treatises on the subject of New York State taxation. Mr. Klein earned his undergraduate and law degrees at SUNY college at Buffalo.
