This is a must read guide for anyone interested in cashing in on one of the hottest new business trends! Mobile foods and Mobile kitchens are quickly carving out new niches in the business world. This book covers most of the basics from selecting the right foods to sell to selecting a good location.

The author even shows you how to build your own Concession Trailer that you can use for catering jobs and to set up at a regular business location as a mobile restaurant.

This book is packed with ideas, strategies and time-tested advice from a successful mobile BBQ business. You will learn how you can make at least \$500 every day and enjoy the freedom of a flexible work schedule. You decide if you want to set up only at special events or sell at weekend shows. You can even set up your own daily restaurant operation where your customers “drive-in” to do business with you!

The easy access to food and drinks has become one of the cornerstones of our modern society. More and more people are eating out and taking home “ready to eat” meals every day. The Mobile food business represents a multi-billion dollar business opportunity. You can cash in by providing what everybody is looking for! Find out how you can sell food to hungry people at festivals and fairs, public events, downtown street corners or from your own rented lot.

This book will show you some of the secrets how you can make your customers very happy. They will love your specialty foods and will bring you cash money. Of course- they will come back and buy from you again and again!

Discover the tips and tricks how to start your own mobile food business the easy way!
