The Delicate Dependency Michael Talbot

"The tension builds page by page to a stunning climax . . . I doubt that I will ever forget it." - Whitley Strieber, author of *The Hunger* and *The Wolfen*

"[O]ne of the most impressive explorations of a vampire mind ever written . . . a novel of considerable suspense . . . compelling and deeply original." - Darrell Schweitzer, *Encyclopedia of the Vampire*

They are cool to the touch and alluringly beautiful in their ageless youth. Their laughter seduces, their brilliance beguiles. They guard the secrets of science and history, and the answers to the mysteries of life and death lie within their vastly superior knowledge. In centuries past, they were known as the Illuminati. They are the *vampire*.

Dr. John Gladstone, a scientist in Victorian London, is thrust into their world after his carriage runs over a young man of angelic beauty named Niccolo. When Niccolo kidnaps Gladstone's child and vanishes, the doctor must go in pursuit, with the help of his daughter, Ursula, who is enticed by the lure of eternal life, and Lady Hespeth, whose demure exterior hides a dangerous obsession. Why are the vampires taking children, and what is the connection to Gladstone's experiments with a deadly virus? And how can he possibly prevail against a race of immortal beings with power and intelligence infinitely beyond his own?

Michael Talbot's *The Delicate Dependency* (1982) is often cited as one of the best vampire novels ever written. This highly anticipated new edition, the first since the book's original publication, includes a new foreword by Jillian Venter.

From reader reviews:

Jerry Linton:

Do you have favorite book? When you have, what is your favorite's book? E-book is very important thing for us to know everything in the world. Each reserve has different aim or goal; it means that reserve has different type. Some people really feel enjoy to spend their the perfect time to read a book. These are reading whatever they consider because their hobby will be reading a book. Think about the person who don't like examining a book? Sometime, man or woman feel need book whenever they found difficult problem or even exercise. Well, probably you will need this The Delicate Dependency.

George Bolin:

Are you kind of busy person, only have 10 or perhaps 15 minute in your time to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book as compared to can satisfy your small amount of time to read it because all of this time you only find reserve that need more time to be study. The Delicate Dependency can be your answer since it can be read by a person who have those short time problems.

Charlie Attwood:

Reading a book for being new life style in this yr; every people loves to examine a book. When you learn a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, simply because book has a lot of information onto it. The information that you will get depend on what forms of book that you have read. If you need to get information about your research, you can read education books, but if you want to entertain yourself you can read a fiction books, these kinds of us novel, comics, and soon. The The Delicate Dependency will give you new experience in examining a book.

Susan Douglas:

Is it a person who having spare time subsequently spend it whole day by simply watching television programs or just lying down on the bed? Do you need something new? This The Delicate Dependency can be the reply, oh how comes? A book you know. You are and so out of date, spending your spare time by reading in this new era is common not a geek activity. So what these publications have than the others?
