For anyone who has suffered pain, disappointment, or a broken heart, “Heart Healer” and motivator Rob Hill, Sr. shares the transformational personal story of his struggles and the invaluable lessons those difficult challenges have taught him about looking within to find the power to heal and live a purposeful life.

*Effort is a reflection of interest; it all works out when you put in the work; if you’re wasting chances, expect to stop receiving them; always playing the victim is such an insult to the truth; we learn the most about a person not from the things they say they want, but by how they treat what they claim to value; trust the process even when it hurts.*

These inspirational nuggets of wisdom are just a few of the priceless life lessons that have struck a chord with hundreds of thousands of people and earned “Heart Healer” and motivational speaker Rob Hill, Sr., a steadfast social media following and celebrity devotees such as Rihanna and Hilary Swank.

Ever since Hill made the courageous decision to dedicate his life to helping others, his own painful coming-of-age experiences—homelessness, a damaged relationship with his father, hours spent contemplating suicide—have served as the basis for his positive message of healing and transformation. Whether you struggle with fostering healthy relationships, finding love, believing in yourself, overcoming the obstacles life tosses in your way, or any other number of conflicting human experiences that can bring both misery and joy, Hill’s perceptive, penetrating yet compassionate words will help you find your way. *The Missing Piece* is the captivating story of the man behind the powerful, uplifting message, part memoir and part roadmap to deep personal contentment and success.
