**Getting Them Sober You Can Help** Toby Rice Drews  
ABOUT THE BOOK --

Hundreds of practical and effective suggestions for sobriety and recovery. Over a million copies sold -- this book is endorsed by Dr. Norman Vincent Peale, by 'dear Abby' ("this book should be read by everyone"), and by Melody Beattie (author of Codependent No More) who said "'Getting Them Sober' is the BEST book for families of the still-drinking alcoholic."

From the Introduction to the book --- "While the alcoholic lies passed out, anesthetized, the family goes through the years of his drinking --- stark, raving sober. They believe lies, expect miracles, have him locked up, bail him out, wish he were dead, and pray that he gets home safely. If the spouse of the alcoholic changes his or her behavior, as outlined in this book, the alcoholic has an 80 percent better chance to get sober."
