**A LIGHTWORKER IS AN AGENT OF CHANGE**, an agent of healing, whether that healing requires a soothing and mending, or an exposing and ripping apart.

A Lightworker is present to change systems, to encourage the evolution of a world, whether that world is seen or unseen.

A Lightworker is born into, surrounded by, and led to wherever needs the power most, whether that need is met easily, or accomplished with blood, sweat, and tears.

A Lightworker will feel the call to do whatever is needed in whatever system they find themselves in--from within that system.

If you are honestly and truthfully doing your absolute best, for yourself and this world around you, then YOU are a Lightworker.
