**Can we prevent another financial crisis? We can! *Break Up the Banks!* is a sensible, actionable, and totally accessible call to arms from an acclaimed financial journalist**

It's been eight years since the financial crisis, but has anyone taken real action to prevent the next one? Former *Economist* reporter David Shirreff thinks not, and in *Break Up the Banks!*, he gives us a short but essential guide to what exactly we can do. With great clarity and a keen sense of humor, Shirreff argues that banks have gotten far too big and far too powerful—and shows how they can be reined in.
