Crystal Grids: How and Why They Work: A Science-Based, Yet Practical Guide Hibiscus Moon

Have you heard of crystal grids but wondered what they are, what they're for, how they work? This book will explain all that and more. This is a refreshingly practical crystal healing book. Being practical, you'll find this guidebook outlined with clear, basic instructions on specific grids and their use. Using science as our platform, you'll explore the "hows" and "whys". Through my background and love of "science-y" subject matter, I help explain: · What a crystal grid is · The sacred geometry foundation of grids · Crystal grid energy fields · Connection to Mother Earth's own grid · How to use grids with distance healing work · How to set your intention · How to choose a grid formation · Specific components of a crystal grid · How to select which crystals to use in a grid · How to activate and maintain a grid · Grid "recipes" for various purposes This book will open up a whole new world of manifesting using the power of crystals.
