English Literature William J. Long

This book, which presents the whole splendid history of English literature from Anglo-Saxon times to the close of the Victorian Era, has three specific aims. The first is to create or to encourage in every student the desire to read the best books, and to know literature itself rather than what has been written about literature. The second is to interpret literature both personally and historically, that is, to show how a great book generally reflects not only the author's life and thought but also the spirit of the age and the ideals of the nation's history. The third aim is to show, by a study of each successive period, how our literature has steadily developed from its first simple songs and stories to its present complexity in prose and poetry.

From reader reviews:

Gail Beattie:

What do you with regards to book? It is not important along with you? Or just adding material when you need something to explain what your own problem? How about your free time? Or are you busy person? If you don't have spare time to do others business, it is make you feel bored faster. And you have time? What did you do? Every person has many questions above. They have to answer that question simply because just their can do in which. It said that about publication. Book is familiar in each person. Yes, it is right. Because start from on jardín de infancia until university need this English Literature to read.

Donald Wexler:

Your reading 6th sense will not betray you actually, why because this English Literature book written by well-known writer who knows well how to make book that could be understand by anyone who have read the book. Written within good manner for you, dripping every ideas and publishing skill only for eliminate your own personal hunger then you still question English Literature as good book not merely by the cover but also with the content. This is one publication that can break don't assess book by its handle, so do you still needing an additional sixth sense to pick this kind of!? Oh come on your reading sixth sense already told you so why you have to listening to an additional sixth sense.

Roberta Swinton:

This English Literature is great e-book for you because the content and that is full of information for you who all always deal with world and have to make decision every minute. That book reveal it data accurately using great manage word or we can claim no rambling sentences in it. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only will give you straight forward sentences but tough core information with attractive delivering sentences. Having English Literature in your hand like getting the world in your arm, data in it is not ridiculous just one. We can say that no publication that offer you world with ten or fifteen minute right but this reserve already do that. So , this is certainly good reading book. Hey Mr. and Mrs. hectic do you still doubt that?

Vickie Flores:

In this time globalization it is important to someone to find information. The information will make you to definitely understand the condition of the world. The condition of the world makes the information simpler to share. You can find a lot of personal references to get information example: internet, magazine, book, and soon. You can see that now, a lot of publisher this print many kinds of book. Often the book that recommended for your requirements is English Literature this publication consist a lot of the information from the condition of this world now. This specific book was represented how does the world has grown up. The vocabulary styles that writer use to explain it is easy to understand. The actual writer made some study when he makes this book. Here is why this book acceptable all of you.
