La Tragedia del Huichol-II: Crónica de un Naufragio (Spanish Edition) Mr. Emilio Cruz Fernández

Encontrarse solo, a flote en medio de un mar tormentoso puede ser una de las peores pesadillas imaginables. Salir airoso de esta prueba y ‘vivir para contarlo’ es lo que le da sentido a este libro, narrado en primera persona por un sobreviviente del naufragio del Huichol-II. Pero aquí no solo se recrean las terroríficas horas de un extraño hundimiento en alta mar, sino las que siguen, la incertidumbre de la búsqueda de marinos y buzos desaparecidos y la afanosa misión de salvamento, contra reloj, de un grupo de hombres encerrados en las cámaras de saturación en las entrañas del barco hundido. Testimonio vibrante y desgarrador, la crónica del naufragio del Huichol-II en el Golfo de México contiene todos los elementos de una historia que hay que leer, a partir de experiencias de primera mano sobre quienes perecieron allí, pero también de otros sobrevivientes que colaboraron con el autor en recrear sus propias visiones. Este libro, sin embargo, no es una investigación periodística; el autor ha preferido dar rienda suelta a su memoria en primera instancia, y apoyarse en la de otros testigos para contar algo cercano a una ‘novela sin ficción’, un reportaje subjetivo, a la vez experiencia inolvidable de lucha por la vida, de dolor, coraje y solidaridad humana.
