Saving Grace (Grizzly Cove) (Volume 5) Bianca D'Arc

As Game Warden, Jack Chambers is responsible for the wildlife in and around Grizzly Cove, but he never expected to find a badly injured mermaid washed up on the shore near his house. He takes her in and helps her back to health, only to learn of the much greater danger held at bay, just off shore, and how it's affecting the ocean-going shifter population. Jack's immediate problem is the pull the leviathan still has over the woman he is fast coming to believe is his mate. He has to save her, but they also need to work through the problems of a land shifter and a mermaid getting together. Can they make the relationship work? Or is he going to end up broken hearted when she returns to her watery home? And who even knew there were mer people off shore? This is something the residents of Grizzly Cove are going to have to figure out, especially with the leviathan out there too, still posing a great threat to all creatures of the Light.
