*** Share You is an erotic romance short story for ADULTS ONLY! This novella is roughly 12,000 words and contains a hot sexual ménage à trois between a young couple and their smexy new tenant. ***

If Kelli has learned one thing over the years, it would be that desires rule your life—aversion has no place if you truly want to be happy. And she was all about getting what she wanted.

It all started on a rather hot, summer day when her husband, Nick, decided they needed to rent a room out in their house in order to make ends meet. Kel knew it was the only way they could continue to afford their lovely home. Still, deep down, she'd always hated the idea—at least until Ava walked through their door.

After several grueling tenant interviews, they finally rented the room to the sexy, long-legged blonde, causing Kelli to reassess what she really wanted.
