## **The Kitchen Boy: A Novel of the Last Tsar** Robert Alexander

It was a crime to horrify, fascinate, and mystify the ages. On the night of July 16, 1918, Bolshevik revolutionaries murdered the entire Russian royal family in a hail of gunfire. No one survived who might bear witness to what really happened on that mysterious and bloody night. Or so it was thought.

In masterful historical detail and breathtaking suspense, Robert Alexander carries the reader through the entire heartrending story as told through the eyes of a real but forgotten witness, the kitchen boy. Narrated by the sole witness to the basement execution, *The Kitchen Boy* is historical fiction at its best. But more than that, the accessible style and intricately woven plot-with a stunning revelation at its end-will keep readers guessing throughout.
