**They killed the king. They pinned it on two men. They chose poorly.**

There's no ancient evil to defeat or orphan destined for greatness, just unlikely heroes and classic adventure. Royce Melborn, a skilled thief, and his mercenary partner, Hadrian Blackwater, are running for their lives when they're framed for the murder of the king. Trapped in a conspiracy that goes beyond the overthrow of a tiny kingdom, their only hope is unraveling an ancient mystery before it's too late.

This is the first book in the original series, The Riyria Revelations, from best-selling author Michael J. Sullivan. It takes place twelve years after the events of The Riyria Chronicles and the two series can be read in either chronological order or order of publication, although the author suggests reading in publication order.
